U.S. DISTRICT COURT
DISTRICT OF MASS.

Dear Judge Lath B. Sarris,

Good morning your honor
my name is Dominique Finch am at an
impass with a situation I tried to resolve
in house. Unfortunately I was mislead on the
process of obtaining Compassionate release. Due to
the new information I obtained am now at
your discretion. Your honor I would please ask
that you consider the times we are in, it
is very impertinent. So as you consider me
for Compassionate release please think of
what Covid-19 main point of Emphasis is the
respiratory system. I have been incarcerated for
3 years. I suffer from shortness of breath, pain
in my chest, diabetes high risk, overweight and
Asthma. This puts me at a very high risk for
infection if this happens to enter the facility
am in. I have been incident free for 2 yrs,
I have done my due diligence so I have housing
with my fiancée & my 3 year old son, I also
have employment ready & waiting. I am willing
and ready to accept & abide by the rules of
home confinement. I also do want you to be
aware of my medical situation it is well documented,

I have records if need be. Also keep in mind I am not a high risk of danger to my family or community. My support system is ready & willing to assist me in anyway possible, so I can get back to my family. I am an asset to my family when am present and as we know tomorrow is not promised. So please as you take this into consideration think of family and how short life can be thank you and have a wonderful day.
